The Messenger of Allah (ﷺ) said, "He/She who follows a path in quest of knowledge, Allah will make the path of Jannah easy to them. The angels lower their wings over the seeker of knowledge, being pleased with what he/she does. The inhabitants of the heavens and the earth and even the fish in the depth of the oceans seek forgiveness for him/her. The superiority of the learned person over the devout worshipper is like that of the full moon to the rest of the stars (i.e., in brightness). The learned are the heirs of the Prophets who bequeath neither dinar nor dirham but only that of knowledge; and he/she who acquires it, has in fact acquired an abundant portion." (Sunan At-Tirmidhi & Abu Dawud)
